Hi Julie,

You and I discussed the possibility of sampling the CFAC site the week of Sept 16<sup>th</sup>, which would allow me to be present for the Flathead Basin Commission meeting on September 17<sup>th</sup>. I wanted to let you know that we're planning on sampling the week of the 23<sup>rd</sup>, so I won't be able to attend the FBC meeting on the 17<sup>th</sup>. I'd like to get your thoughts on what communication outreach regarding our sampling efforts would be beneficial for the Commission in lieu of being present for the meeting. We haven't drafted anything yet, but could put together a fact sheet if you think that would be beneficial.

Thanks,  
Rob
